Catwalk and Tower Engineering Bulletin

New Product Now Available: Wide Corner Stair and Step Off Platforms

Chief Agri Industrial is pleased to announce the introduction of several new platforms for Chiefs towers. These new platforms provide more flexibility in the layout of stair on Chief towers.

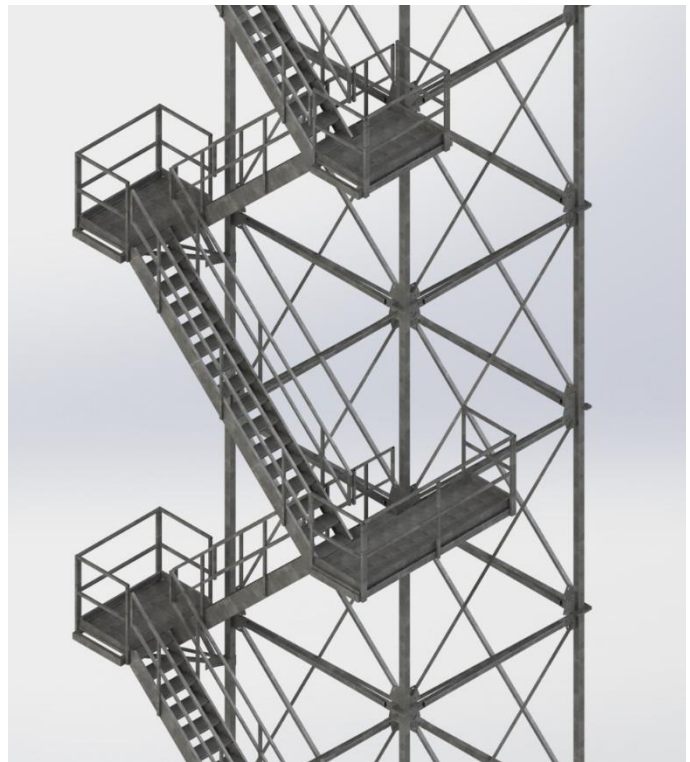

Corner to Switchback Platforms allow you to wrap a stair around a corner when the switchback stair is in the wide position.

Top/Step Off Platforms allow you to stop off on a top platform from a switchback stair in the wide position.

Switchback/Step Off Platforms allow you to step on to an internal platform from a switchback stair system

Below is a full list of Chief's tower stair platforms.
